

HIPPA

The Health Insurance Portability and Accountability Act requires us to protect your Personal Health Information against inappropriate use or disclosure.

Our employees, as well as those from other companies that help us provide services for your Health Insurance, are required to comply with our requirements that protect the confidentiality of your Personal Health Information. They are allowed to look at your Personal Health Information only when there is a valid reason to do so, such as to administer our products or services.

To see HIPAA's privacy rules in more detail, please see linked documents:

- [HIPAA Notice of Privacy Practices for Personal Health Information](#)
- [Authorization for The Disclosure of Protected Health Information](#)
