BMI COMPANIES PRIVACY POLICY FOR MOBILE APPLICATIONS

This privacy policy sets forth our policies regarding the collection, use, and disclosure of certain information you provide during the use of Illustrators of BMI Companies. Your use of this application signifies your understanding and acceptance of these terms.

COLLECTION OF PERSONAL INFORMATION:

We collect information about you for the sole purpose of connecting you with participating licensed insurance agents in order to provide you with the insurance quotes you requested through the use of our application. You provide this personal information as you complete the mobile quote form. This information may include, but is not limited to, your name, country, phone number, date of birth, gender, marital status. This information should be used by BMI for the sole purpose of providing you an accurate insurance quote.

We will not disclose this information to any other third party without your permission. By completing our mobile quote form and submitting it, you are agreeing to the terms and conditions, as well as the privacy policy of our web sites. [https://www.bmicos.com/web/condiciones_terminos.asp?leng=en]

We reserve the right to disclose your personally identifiable information as required by law and when we believe that disclosure is necessary to protect our rights and/or to comply with a judicial proceeding, court order, or legal process served on our applications.

As a part of the service we provide to you, we may email an informational insurance newsletter on a monthly or quarterly basis to the email address you provide to us. You will have the opportunity to opt-out of the distribution of this newsletter by checking the appropriate box on any communication we send you.

COLLECTION OF NON-PERSONAL INFORMATION:

We may also collect certain non-personal information from your use of either of our applications. This information may include how often you use our applications, which application you use, and general demographic information. Your personal information will not be disclosed. Only high level summary information from all of our users will be provided.

SECURITY

The security of your personal information is important to us. This app does not access, collect or share any private information stored locally on the mobile device.

We follow generally accepted industry standards to protect the personal information submitted to us, both during transmission and once we receive it.

COOKIES

A cookie is a small text file that is stored on a user’s computer for record-keeping purposes. We do not use cookies on these applications.
CHANGES IN THIS PRIVACY STATEMENT

If we decide to change our privacy policy, we will post those changes to this privacy statement and other places we deem appropriate so that you are aware of what information we collect, how we use it, and under what circumstances, if any, we disclose it.

We reserve the right to modify this privacy statement at any time, so please review it frequently. If we make material changes to this policy, we will notify you here, by email, or by means of a notice on our home page.
